

NYHDIF November 2021 Conference

Mercure Fairfield Manor York Hotel

COVID-19 Statement of Requirements

NYHDIF are anxious to support the ongoing fight against COVID-19 virus. The Mercure Fairfield Manor York Hotel are equally committed to keeping their guests and staff as safe as possible. As a result, it has been agreed that no Sponsors, Speakers, Delegates or Guests will be allowed to attend the NYHDIF November 2021 Conference unless EITHER they are medically exempt from receiving COVID-19 vaccinations, OR they have received at least two approved vaccinations against COVID-19 (“double-jabbed”), and are prepared to prove this, either by showing both vaccination certificates, or by showing a digital or a paper NHS COVID pass, or by sharing their COVID-19 vaccination status as accessed via the NHS App on a mobile device. (Note that this is the NHS App, NOT the NHS COVID-19 App). We would also strongly ask that all attenders carry out a Lateral Flow test no more than 24 hours before the start of the Conference, and, if positive, do not attend, and, if negative, bring the result, or a photograph of the result, to show negativity.

NYHDIF also recognises that some delegates attending the Conference may wish to maintain a degree of social distancing during the Conference. In order to facilitate this, a clearly visible red dot will be available to place on the delegate badge, which will mean that that delegate does not wish anyone to get closer to them than 2 metres, or 1 metre with face covering. All delegates are urged to try and honour this if requested by a red-dot delegate. Remember, ‘Red dot means: Please Keep your Distance, and Wear a Face Covering’.

NYHDIF thanks all attenders for their understanding and compliance in this matter.
