

10 months, 8 days, 2 hours and 7 minutes

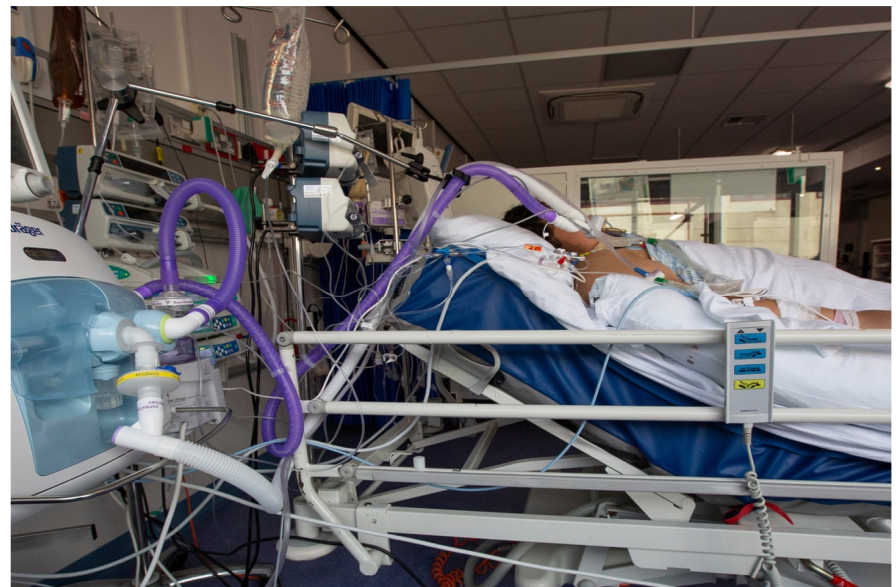

Reflections from a first year CDIO

Paul Rice, B.A.(Hons), PgDip, MSc, PhD, MPLA, FBCS.
CDIO, Bradford Teaching Hospitals FT &
Airedale FT

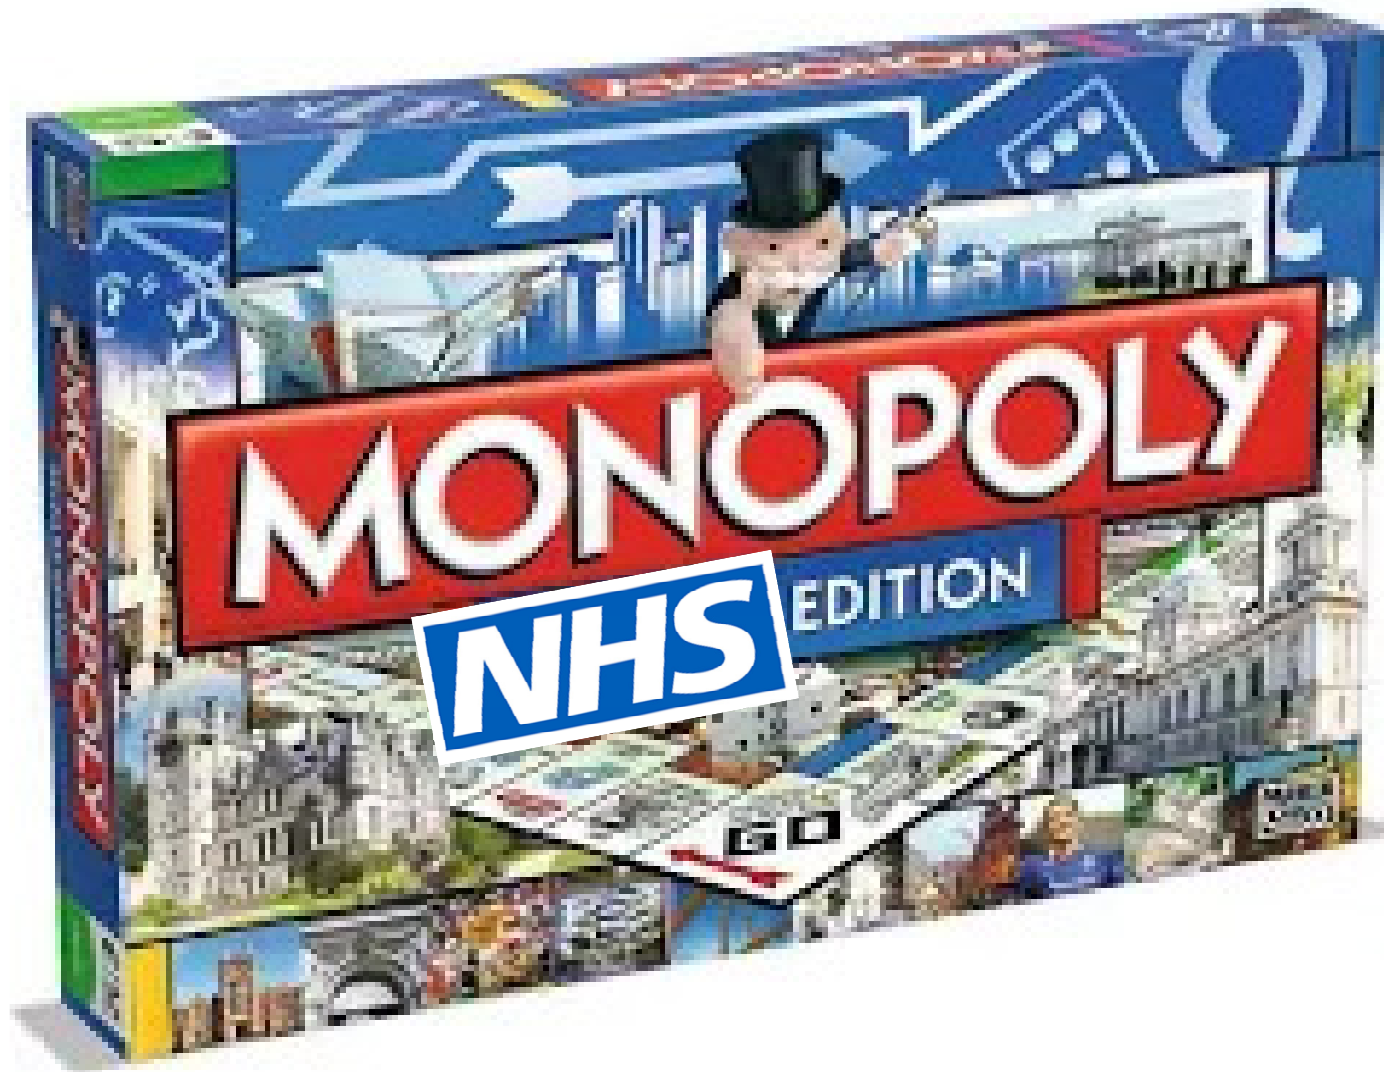

Has it changed him?

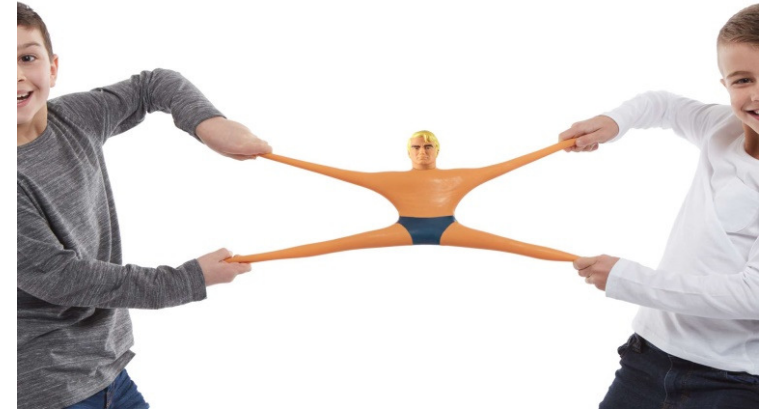

Our every day is their exceptional

Never a dull moment

The many roles?

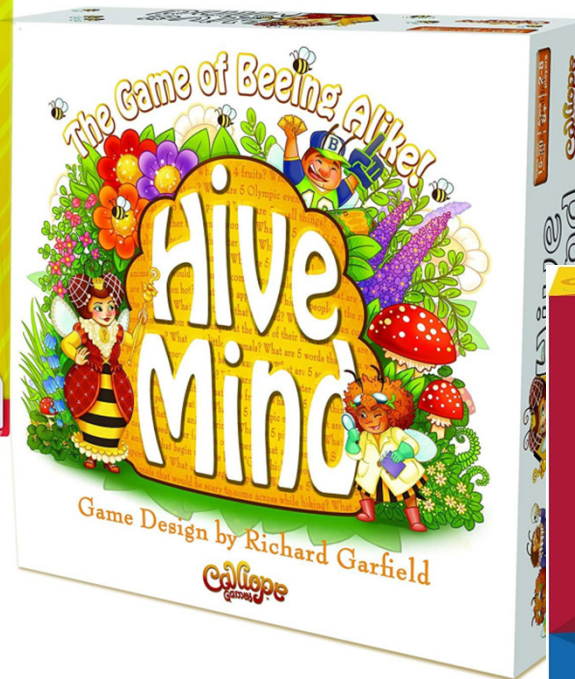

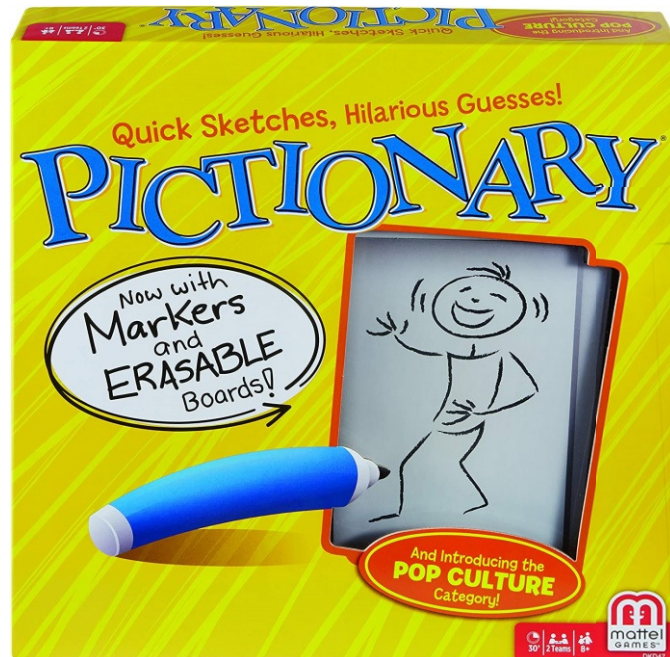

Digital Transformation

“Unified Tech Fund”

Culture & Practice

It's the people stupid

A team of all the talents

And finally

Why can't you use a steak and kidney pie to protect you from ransomware?

Because its not stroganoff!

Thank you
